

JEWELUXE®

YOU ARE NOT ALONE

COVID19 presents a challenge to humanity that is unprecedented in modern history.

How can we stay relevant, be helpful and emerge stronger?

This is the question we should be asking ourselves.

JeweLuxe® chooses to take a positive step, to bring our industry closer and unite to confront this faceless enemy and pave the way for a comeback. Physical distance will not stop us. We rally independent brands and designers to come together digitally for strength and encouragement, and to connect with our customers to show our solidarity in support of their plight.

Be part of JeweLuxe® “YOU ARE NOT ALONE” campaign to give encouragements and bring cheer in such dim moments. Let us be the sparkle that will bring positivity, inspiration and life.

Here is where we need your support to contribute to this campaign by sending us the following:

1

Picture/s of what brings you cheer and solace, accompanied with a short description of how this makes you feel better.

2

Snippet of how you adapt to life at home, making it fun and meaningful (please provide a few pictures to illustrate this)

3

Your interpretation (e.g. sketches, photographs, quotes, etc.) of “YOU ARE NOT ALONE” to give hope and cheer to those who will see your content.

This will be posted on www.instagram.com/jeweluxeworld and via a regular email to our customers. We encourage you posting it on your channels too with #youarenotalone

Please send your materials to nelson@jeweluxe-international.com

Stay safe and healthy always.
